

Health and Safety Policy Statement

It is the policy of Hetherington Painting and Building Contractors to comply with the Safety, Health & Welfare at Work Act 2005, the Safety, Health and Welfare at Work Act (General Application) Regulations 2013 the Construction Regulations 2013, Health & Safety at Work (NI) Order 1978, the Management of Health & Safety at Work Regulations 2000, the Construction (Design and Management) Regulations (NI) 2016 and all other legislative requirements, to ensure so far as is reasonably practicable the Safety, Health and Welfare of all persons under the control of the organisation whilst at work from injury or ill health, and to provide such information, training and supervision, needed for this purpose.

It is the policy of the company to protect, so far as is reasonably practicable, persons not employed by this company who may be affected by our activities.

All persons have a responsibility to co-operate with the company to achieve a healthy & safe workplace and take reasonable care of themselves and others.

It is the policy of this company to consult all staff, employees and persons involved with our processes on matters of Health and Safety. All persons are hereby notified of the company policy and are required to comply with their duties under the relevant regulations to notify the company management of identified hazards in the workplace.

The allocation of duties for safety matters and particular arrangements to implement the policy are set out in the company safety statement.

The Policy will establish the framework for setting and reviewing occupational health & safety objectives.

The policy will be kept up to date and improved upon in particular as the business changes in nature and size. To ensure this, the policy and the way in which it is operated will be reviewed annually by senior members of management to ensure the safety management system remains relevant and appropriate to the organisation.

Continually monitor and strive to improve business practices having an impact on Health & Safety and continue to ensure that we constantly strive to ensure a pro-active approach to prevent the occurrence of an incident resulting in ill health or injury.

This statement is distributed to all Senior Partners, Managers and Supervisors and is available to all persons under the control of the organisation and any other interested parties to ensure all persons are aware of their individual Health & Safety obligations.
